SoftCare® Cream Hand Wash

Moisturising hand washing cream

Description

Soft Care Cream Hand Wash is a fragranced, moisturising, nice creamy hand soap. It is a high quality, end user friendly hand wash solution for washrooms in hospitality, sports, leisure, spa and wellness facilities.

Key properties

- Fragranced with a pleasant gender neutral perfume
- The ¼% moisturising cream provides mildness to the skin, therefore preventing dryness and skin irritation
- Based on a mild surfactant blend and skin care ingredients
- The blend of skin care ingredients make the skin feels soft and supple after washing
- The smart surfactant system ensures a unique combination of soil removal with excellent sensory properties
- Does not form soap scum, leaving the bath easy to clean
- pH-neutral, skin compatibility tested (Patch test)

Benefits

- Soft Care Cream Hand Wash is a high quality, skin friendly cream wash will ensure great experience at the end user and will enhance the quality image of your facilities)
- Appeal to men and women alike
- Ensures guest experience, because it is very mild on skin because of the moisturising cream
- Based on a mild surfactant blend and skin care ingredients
- Excellent sensory properties because of easy foaming effect
- Very mild and efficient hand wash, producing plenty of lather irrespective of the water hardness
- Suitable for frequent handwashing
- Does not form soap scum, leaving the sink easy to clean

Use instructions

1. Apply one or two dosages from the dispenser to the pre-wetted hands.
2. Wash your hands well until a rich foam layer covers your hands.
3. Rinse away with lukewarm water and dry thoroughly.
4. Dry hands are important with respect to good hygiene.
