- Ready to use toilet cleaner
- Cleans surfaces and actively combats odours
- Prevents limescale and blockages
- Mildly acidic formula
- Fresh pine perfume
- EU Ecolabel & Cradle to Cradle Certified GOLD

Currently, too many products are still used that contain chemicals with a harmful effect on humans and the environment. Greenspeed offers a solution to this problem: synbiotic cleaning products containing pre and probiotics. The probiotics remove organic dirt, even deeply embedded in the surface, delivering quick and long-lasting clean results. Along the way, they also neutralise bad odours. When they re-enter the ecological cycle after use, they actively help to clean our water and help to maintain a natural microbial balance. The prebiotics create an extra source of nutrition for the probiotics and as well for good bacteria that are naturally found on the surface. The effect of the probiotics is therefore accelerated and the microbial balance on the surface is maintained. Contrary to many chemical cleaning products, synbiotics products are very safe to use. The micro-organisms are 100% natural.

Cleaning Power	Powerful

USAGE

Shake well before use. Ready to use formula.

Store the product between 10°C and 40°C, protected from direct sunlight.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.

READY TO USE

Synbio Swan - 750 ml

TECHNICAL SPECIFICATIONS

Dimensions product (LxHxW) 8.5 x 25.5 x 6 cm

Appearance: Viscous liquid

Colour: Red

Odeur: Pine

Viscosity: 2500cP

Solubility in water: Complete

pH-value: 3

Relative density 20°C: 1,021 Kg/L

Flash point: > 100°C

Packaging: 25% recycled plastic + 75% plantastic, 100% recyclable

LOGISTIC DATA

Product

Article	4003622
Unit	Bottle
Dimensions	8.5 x 25.5 x 6 cm
Gross weight	795 g
Net weight	770 g
EAN code	EAN 5420015516122

Packing

Quantity per packing	6
