

TASKI®

# TASKI® ergodisc® 165

## Low speed single disc machinefor multiple cleaning tasks

### Key features

- Ergonomics
- Safety
- Simplicity
- Versatility

The ergodisc 165 is especially suited for the following tasks:

- Wet scrubbing
- Stripping
- Buffing
- Spray cleaning
- Shampooing
- Wood treatment
- Crystallisation

### Ergonomics

Better working conditions improve productivity through:

- Anatomically formed grip
- Adjustable handle bar height
- Low vibration level
- Low noise level
- Soft start characteristics

#### Safety

Creates a safer working environment through:

- Hand protection due to closed handle
- High electrical safety due to double insulation
- Double safety lock

#### Simplicity

Improved efficiency through ease of:

- Training and operation
- Attachment of accessories, no tools required
- Storage and transporting, foldable handle and removable weight

#### Versatility

Multi-purpose, cost-efficient machine:

- Adaptable to many different cleaning tasks
- Full range of accessories available

# TASKI ergodisc 165

#### **Technical data**

| Working width       | 43 cm                         | Voltages available | 230V/50 Hz 22V/60 Hz 100-110V/60 Hz |
|---------------------|-------------------------------|--------------------|-------------------------------------|
| Speed               | 165 rpm                       | Cable length       | 15 m                                |
| Weight              | 42 kg (option to remove 5 kg) | Sound level        | 57 dB(A)                            |
| Motor height        | 36 cm                         | Protection class   | II                                  |
| Nominal consumption | 1100 W                        | Approvals          | CE / CB Test cert / ÖVE / SEV       |

The above data is typical of normal production and should not be taken as a specification.

| Model              | SKU number |
|--------------------|------------|
| TASKI ergodisc 165 | 8003850    |

| Accessories                                      | SKU number        |
|--|-------------------|
| Driving disc 43 cm                               | 6010446           |
| Scrubbing brush 43 cm                            | 6010459           |
| Water tank                                       | 8504390           |
| Foam generator 230 V                             | 8004540           |
| Suction skirt / Splash protection                | 6001350           |
| Dispensing unit mechanical                       | 8504370           |
| Suction unit 230 V                               | 6010460           |
| Double filter paper bags (10-pack) / HEPA filter | 6076768 / 6040965 |

An overview of other accessories, brushes, pad drives and pads is available on request.

#### Additional features

Foam generator: The foam generator, with integrated compressor, allows economic dry foam carpet cleaning. A short drying time allows fast re-use of the area.

Vacuum unit and suction skirt: The combination of vacuum unit and suction skirt is an ideal solution to prevent dust emission into the air. During spray cleaning, the skirt also acts as a splash protector.

Water tank: The best accessory for wet scrubbing and deep cleaning. The tank fits perfectly onto the machine and has a big opening for easy filling.

**Robustness:** TASKI ergodisc 165 is part of an innovative range of single disc machines. The use of high-tech materials creates robust, shock-absorbing machines with an extended lifetime and low service costs.

All TASKI ergodisc machines come with 2 years warranty.
