

TASKI®

Sani Clonet free

Toilet cleaner

Description

Ready to use, heavy-duty cleaner for the effective removal of limescale and other deposits from toilet bowls and urinals.

Key properties

- Effective combination of three different acids
- Fast acting, no fragrance and no dye
- Ideal viscosity for optimal adhesion to sloped / vertical surfaces

Benefits

- Quickly dissolves calcium/lime deposits
- Long-lasting action on vertical/sloped surfaces
- Safe for use on intact porcelain and glazed sanitary installations

Use instructions

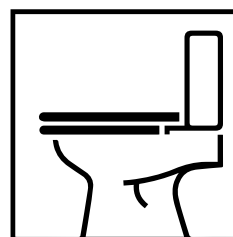

1. Flush the toilet/urinal.
2. Squirt the product under the rim, around the bowl, onto water/flush paths and water outlets.
3. Allow the product to act for 5-10 minutes.
4. Scrub with a brush and flush to rinse.
5. Increase acting time (1-2 hours) in case of heavy calcium/lime build-up.

Dosage:

Ready to use, no dilution required.

EU Ecolabel: DK/020/006

Sani Clonet free

Technical data

Appearance: Clear, colourless liquid

pH value (neat): 1.9

pH value (in use): 1.9

Relative density (20°C): 1.035 g/cm³

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; sds.diverseys.com. Store in original closed containers away from extremes of temperature. Only for professional users / specialists.

Product compatibility

Do not mix the product with chlorinated products and do not use on acid sensitive surfaces (e.g. marble, enamel, grouting). Immediately remove any drops or splashes from acid-sensitive surfaces and rinse thoroughly with water. Can be used on intact porcelain and glazed sanitary installations. Test material compatibility in a small, inconspicuous place before use.

Environmental information

TASKI Sani Clonet free was awarded the license (DK/020/006) fulfilling the EU-Ecolabel criteria as an environmentally friendly product. The surfactants used in this product are biodegradable in compliance with the requirement of EU Detergent Regulation, EC 648/2004.

Available pack sizes

TASKI Sani Clonet free is available in 6x0.75L.
