# SoftCare® Cream Wash 2 in 1

## Conditioned, creamy shampoo & body wash

### Description

Soft Care Cream Wash 2 in 1 is a fragranced, conditioning creamy hair wash and body wash. The product can also be also used as a bath foam. It is a high quality, end user friendly creamy shampoo and body wash solution for washrooms and showers in hospitality, sports, leisure, spa and wellness facilities.

### Key properties

- Fragranced with a pleasant gender neutral perfume
- The ¼% moisturising cream provides mildness to your body and prevents your hair from drying out
- The blend of skin care ingredients make the skin feels soft and supple after washing
- The hair care ingredients ensure that the hair feels really soft and supple after use of the product, while the conditioner ensures tangle free hair
- This effective surfactant system ensures excellent sensory properties under the shower
- Does not form soap scum, leaving the bath easy to clean
- pH-neutral, skin compatibility tested (Patch test)

### Benefits

- Soft Care Cream Wash 2 in 1 is a high quality, skin friendly cream body wash and shampoo, which will ensure great experience at the end user and will enhance the quality image of your facilities
- Appeal to men and women alike
- Mild and efficient '2 in 1' product for hair and body, can be used as bath foam, producing plenty of lather irrespective of the water hardness.
- Ensures guest experience, very mild on skin and hair because of the moisturising cream
- Excellent sensory properties because of smooth lather and easy foaming effect
- Suitable for frequent usages
- Does not form soap scum, leaving the bath easy to clean

### Use instructions

#### When used as hair and body shampoo:

1. Apply one dosage of product on wet skin and massage to form a rich lather.
2. Rinse and dry thoroughly.

#### When used as bath foam:

1. Add a few dosages to the bath prior to filling.
