

CLAX[®] Sonril lite Pur-Eco

41A1

Bleach - high temp - oxygen - eco-certified

Description

Clax Sonril lite Pur-Eco is an eco-certified oxygen bleach suitable for bleaching whites and colourfast articles.

Key properties

Clax Sonril lite Pur-Eco is an oxygen based bleach which should be applied at high temperatures, and can be used on colourfast linen. The product shows excellent residual stain removal during the washing process and is compatible with most main wash detergents. Also there is no need for an antichlor after the bleach step to neutralize the bleach.

Benefits

- Excellent stain removal
- Oxygen based bleach
- Can be used on colourfast articles
- Eco-certified product
- No need for an antichlor

Dosage*

Dosage recommendations in ml/kg dry goods:

- Light soil level: 3 - 4
- Medium soil level: 4 - 6
- Heavy soil level: 6 - 8

Clax Sonril Lite Pur-Eco is most effective at temperatures above 80 °C but it can still effectively wash at 40-60 °C, though the bleaching will be less effective.

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*
